## Change to the Parking Arrangements at Stevenson

Dear OLLI Members:

We want to report a big change to the parking arrangements we're going to experience on Sundays at our general OLLI meetings at the Stevenson Event Center. Our next meeting will be on January 19.

Beginning with that OLLI General Meeting there will be no free parking in the lots we have reserved for our use. So there will likely be many more spaces available for us because students now will also have to pay for parking.

Unfortunately, there's an obvious downside. To enforce the parking rules, the University will require parking permits for the use of the lots. This will be similar to the way the University provides parking for theater and music events. Student Parking Agents will sell \$4.00 permits at the entrance to the parking area. Handicapped drivers with a plaque or license plate are exempt. Cars displaying the \$4 parking permits can park not only in our two lots but also in other lots between Stevenson and Cowell colleges. *(Continued on next page)*

We encourage you to carpool to reduce the cost (and help the environment). In addition we will continue to offer free parking with shuttle service from the East Remote lot. You will still be able to drop off folks at the Stevenson circle and then proceed to the East Remote lot if you wish. **Additional parking information and a map are [available here](http://ucsc-osher.wikispaces.com/speakers)** (<http://ucsc-osher.wikispaces.com/speakers>).

Because the University made this change much sooner than we anticipated, **members coming to our January 19th meeting will not have to pay this time** for the parking permits at Stevenson College. OLLI will pay the University directly for these permits, but only for the January meeting. Beginning with the February meeting, anyone parking in the Stevenson lots will have to **pay for parking**.

## Shakespeare Play On

A new non-profit organization, *Shakespeare Play On*, has been created to carry on the traditions and aesthetic of Shakespeare Santa Cruz. The new organization's members are hoping to forward-fund the 2014 Season by January 15, 2014, so that the organization can hire favorite Shakespeare Santa Cruz directors, designers, and actors and have future revenues to begin to fund the 2015 Season.

The fundraising goal is \$885,000, and kick-off contributions from the Board and friends of the festival have already taken them  $\frac{1}{4}$  of the way there! They promise to be transparent in the pursuit of their budgetary and artistic goals.

The new organization's website is <http://shakespeareplayon.org/> and one can make donations at <https://donatenow.networkforgood.org/shakespeareplayon>.
